

EXECUTIVE SUMMARY

Leverage Dynamics over the Business Cycle

MICHAEL HALLING (SSE and SHOF), JIN YU (University of New South Wales) and JOSEF ZECHNER (Vienna University of Economics and Business)

d. This may give rise to demand variation of firms' optimal capital
cycle. Maybe equally important, capital market conditions also co-

international sample than in the US. A better understanding of this variation across countries with different legal, tax or governance environments could provide important insights about the determinants of firms' financial structures.
